Par Eric Powell : Billy the Kid's Old-Timey Oddities Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Billy the Kid's Old-Timey Oddities Volume 1:

Description :

Prsentation de l'diteurFrom the Eisner award-winning creator of The Goon comes an over-the-bigtop horror romp pitting outlaw legend Billy the Kid and a band of circus "freaks" against the evil machinations of the nefarious Dr. Frankenstein! Penned with deranged glee by Powell and illustrated by fan-favorite horror artist Kyle Hotz (The Agency andThe Hood), Billy The Kid's Old Timey Oddities starts with Billy the Kid free to roam America, having faked his own death. Free, that is, until Fineas Spoule, AKA. The Human Spider, discovers his secret. Now, afraid of being exposed, Billy finds himself in the service of a caravan of carnival sideshow performers who have unfinished business with a mad scientist none other than Victor Frankenstein himself! This twisted love child of spaghetti westerns and Hammer horror flicks combines Powell's

humorous fast-paced storytelling and Hotz's quirky macabre visuals for a story that the whole family will love...if they're the kind of family that love alligator men and miniature boys fighting monstrous mistakes of science with the help of the fastest gunslinger in the West! Written by Eric Powell creator The Goon, recipient of the International Horror Guild Award and multiple Eisner Awards!Prsentation de l'diteurFrom the Eisner award-winning creator of The Goon comes an over-the-bigtop horror romp pitting outlaw legend Billy the Kid and a band of circus "freaks" against the evil machinations of the nefarious Dr. Frankenstein!
