Description :

Prsentation de l'diteurThe story of an isolated Alaskan town that is plunged into darkness for a month each year when the sun sinks below the horizon. As the last rays of light fade, the town is attacked by a bloodthirsty gang of vampires bent on an uninterrupted orgy of destruction. Only the small town's husband-and-wife Sheriff team stand between the survivors and certain destruction.Revue de pressea short, sharp shockerof a horror tale with anoriginal premise and aMatterhorn-sized mountainof tension.Maxim"The comic in your hands has much of the raw,even brutal energy of a horror movie from thegood old days. Short, sharp and unforgiving. It'sgot a catchy title, a wonderfully clever, butsimple idea at its chilly heart, and a narrativethat starts at a run and never slows down." Clive Barker"Writer Steve Niles plays on common

fear of isolation, darkness, and monsters in a story that's more chilling than its locale. A good writer could extrapolate any one of these fears into a thrilling story, but Niles succeeds in pushing all of these buttons with the right frequency to produce a story that's not just chilling, but downright scary." Jim Johnson, Comics Buyer's Guide "Above all else, 30 Days of Night reads like a horror movie, a great horror movie. If you thirst for something that's guaranteed to scare the pants off you, you've gotta pick this up. But take my advice, read it with the lights on."
