**Biographie de l'auteur** By day, Joni Hahn keeps her secret decoder ring hidden while she works as a mild-mannered contemporary romance author. She believes the world can never have too many superheroes, and anxiously waits for the call when one will need help saving the world or getting into his costume. Joni was born with a hopelessly tender heart and believes there is nothing on earth more exhilarating than falling in love. A native Texan, she thinks cowboys are the epitome of masculinity, and that country music is the other soul music. Joni is a member of The Authors Guild, the Romance Writers of America and its Published Authors Network. She is a member of several RWA sub-chapters and has served in numerous board positions with the San Antonio Romance Authors. When she isn't writing, she enjoys reading, going to movies and concerts, and spending time with family and friends. Books 1 through 6.5 in Joni's sci fi romantic suspense series, The D.I.R.E. Agency, are available now. Look for the epic series finale, Book 7, Agent U7: Keegan in spring 2016!
