**Description :** Description du produitLast night I killed my boss. It was the second time this week... From the very first, this tale of one man's quest for his annual bonus--in a world where ambition, terror, insecurity and desperate deeds are as natural as organic bread--will grip the reader's imagination.

Prsentation de l'diteurMeet Dave Hart. Dave is worried. He's an investment banker and it's not long until 'B' day, the most important day of the year. At Bonus Time, No One Can Hear You Scream is the tale of one man's quest for his annual bonus in a world where ambition, insecurity and moral ambiguity are

second nature to those who inhabit it. Sharply observed and extremely funny, this is a brilliant take on life in the Square Mile from someone who's actually experience life at the top. Revue de presse "Dave Hart is one of the great comic creations of the twenty-first century...
