Prsentation de l'diteurThe new Dynamic Duo hits the streets with a bang in their new fl ying Batmobile to face an assemblage of villains called the Circus of Strange. They also tackle their first mission investigating a child whos been abducted by the mysterious Domino Killer. But will everything go smoothly? And who exactly are the new Batman and Robin? The newest era of The Dark Knight begins here!Revue de presse Morrison's first big commercial hit and his first shot writing Batman, a character he would spend a great deal of time with over the course of his career was this ground-breaking graphic novel featuring the grim, twisted artwork of painter Dave McKean. In this darkly poetic, psychologically rich tale, Batman faces off against the Joker, Two-Face, the Scarecrow and other villains inside Gotham City's house for the criminally insaneROLLING STONEGrant Morrison and Dave McKean explore that connection in Arkham Asylum, one of the finest superhero books to ever grace a bookshelfIGNBetween Morrison's esoteric writing and

Dave McKean's gorgeous painting, this may very well be my nominee for the definitive Batman story. Yes, even more so than *The Dark Knight Returns*, *Year One*, or *The Killing Joke*. Exploring both Batman and his rogues equally through significantly different characterizations than typically seen in the main DCU, Morrison boils these characters down to their essence while providing a chilling mystery story set within the confines of Gotham's home for the criminally insane. CRAVE ONLINE The art of this story is striking, beautiful, and yes, today's secret word: disturbing.
