Biographie de l'auteur Craig Cecil has been involved in sports and the science of exercise since his days of high school athletics in baseball, through his collegiate career in NCAA Track Field, to his devotion to weightlifting and bodybuilding pursuits over the past 20 years. During that time, Craig has trained with professional athletes, as well as multitudes of dedicated, ordinary individuals just wanting to build lean, muscular body weight. Craig is a member of the National Strength Conditioning Association and holds an MBA from Loyola University of Maryland.
