Par Estelle Maskame : Did I Mention I Love You? (The DIMILY Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Did I Mention I Love You? (The DIMILY Trilogy Book 1) (English Edition):

Description :

Prsentation de l'diteurWhen sixteen-year-old Eden Munro agrees to spend the summer with her estranged father in the beachfront city of Santa Monica, California, she has no idea what she's letting herself in for. Eden's parents are divorced and have gone their separate ways, and now her father has a brand new family. For Eden, this means she's about to meet three new step-brothers. The eldest of the three is Tyler Bruce, a troubled teenager with a short temper and a huge ego. Complete polar opposites, Eden quickly finds herself thrust into a world full of new experiences as Tyler's group of friends take her under their wing. But the one

thing she just can't understand is Tyler, and the more she presses to figure out the truth about him, the more she finds herself falling for the one person she shouldn't - her step-brother. Throw in Tyler's clingy girlfriend and a guy who has his eyes set on Eden, and there's secrets, lies and a whole lot of drama. But how can Eden keep her feelings under control? And can she ever work out the truth about Tyler? Did I Mention I Love You is the first book in the phenomenal DIMILY trilogy, following the lives of Eden Munro and Tyler Bruce as they try to find their way in an increasingly confusing world.

Revue de presse It's a safe bet the films will be out by 2017. The Observer Maskame's followers are voracious readers and the Scot has had to grow accustomed to every plot twist being feverishly discussed. --The Herald Like Zoella, [Estelle] knows a thing or two about self promotion...[the books have] received pretty much universal acclaim from her 125,000 followers --The Times 'A beautiful, compelling novel. I found it almost impossible to put down. I strongly believe this could be the next big YA novel of 2015.' Emma, YA Bookseller 'I loved this. I thought it was written really well, full of romantic will-they-won't-they tension, and it kept me hooked until the end. This is the first book in a trilogy with book two (Did I Mention I Need You) following in September, and book three (Did I Mention I Miss You) coming in January 2016 you will be counting down the days until DIMINY comes out once you've finished this one, it's so addictive! It's hard to believe the author is only 17, I can't wait to see what's next from her. This is the next big thing in teenage fiction the summer book that everyone will be talking about, it's amazing! A perfect summer read.' (5 stars) Stevie, YA Bookseller 'Despite facing some tough competition within the YA group, notably from the likes of the Hunger Games Suzanne Collins, at just eighteen years of age, Maskame has proven herself to be just as worthy of the praise and attention she has so far received, and such praise is unlikely to stop heading her way anytime soon.' -- Popwrapped

Présentation de l'auteur When sixteen-year-old Eden Munro agrees to spend the summer with her estranged father in the beachfront city of Santa Monica, California, she has no idea what she's letting herself in for. Eden's parents are divorced and have gone their separate ways, and now her father has a brand new family. For Eden, this means she's about to meet three new step-brothers. The eldest of the three is Tyler Bruce, a troubled teenager with a short temper and a huge ego. Complete polar opposites, Eden quickly finds herself thrust into a world full of new experiences as Tyler's group of friends take her under their wing. But the one thing she just can't understand is Tyler, and the more she presses to figure out the truth about him, the more she finds herself falling for the one person she shouldn't - her step-brother. Throw in Tyler's clingy girlfriend and a guy who has his eyes set on Eden, and there's secrets, lies and a whole lot of drama. But how can Eden keep her feelings under control? And can she ever work out the truth about Tyler? Did I Mention I Love You is the first book in the phenomenal DIMILY trilogy, following the lives of Eden Munro and Tyler Bruce as they try to find their way in an increasingly confusing world.
