But what if one of those wishes came true? Tess is heartbroken when Seb breaks up with her and can't help blaming herself. If only she'd done things differently. If only she could make right all her regrets... But she can't. It's over. She has to forget about him. Drunk and upset on New Year's Eve she wishes she'd never met him. But when she wakes up to discover this dream has come true, she realises she has a chance. To do it all over again. And to get it right this time...Revue de presseThis rom-com taps into the longing we've all had to hit rewind when a relationship flounders - so we can do it all again, only better.
