Description : Description du produitHow do you parse a sentence? What is parsing a sentence? Does the period come before or after the parenthesis? When is a colon not a semicolon? Does a comma go there? The answer to these and all those other questions that plague everyone from the beginning student to the professional writer are all here in unique, bestselling, Humanities chart.

Prsentation de l'diteurEssentials of grammar and punctuation QuickStudy guide by the producers of the Worlds #1 academic outlines. Built for fast and easy access to the core of what you need to know.
