## Description :

Présentation de l'auteur New York Times bestselling author Barbara Kingsolver delivers a collection of 12 original tales in *Homeland and Other Stories* that are every bit as emotionally resonant, humorous, and heartfelt as her much-beloved novels. In settings ranging from eastern Kentucky to northern California and the Caribbean island of St. Lucia, Barbara Kingsolver uses her distinctive voice and vast knowledge of human nature to address some of her favorite themes: the importance of personal and cultural heritage; how the past effects the present and the enduring power of love. Kingsolver's characters, many single mothers, struggle to make sense of their lives and find meaning in a difficult world. Praised for her memorable characters and poetic prose, Kingsolver again proves why she is a literary force to be reckoned with. Quatrième de couverture With the same wit and sensitivity that have come to characterize her highly praised and beloved novels *Animal Dreams* and *The Bean Trees*, Barbara Kingsolver gives us a rich and emotionally resonant collection of twelve stories. Spreading her memorable characters over landscapes ranging from northern-California to the hills of eastern Kentucky and the Caribbean island of St. Lucia, Kingsolver tells stories of hope, momentary joy, and powerful endurance. In every setting, Kingsolver's distinctive voice -- at times comic, but often heartrending -- rings true as she explores the twin themes of family ties and the life choices one must ultimately make alone. *Homeland and Other Stories* creates a world of love and possibility that readers will want to take as their own.
