Description :

Prsentation de l'diteurA devastating novel of desperation and revenge from one of today's most compelling new voices in fiction. In this follow-up to her heartbreaking debut, *Such a Pretty Girl*, Laura Wiess once again spins a shattering tale of the tragedies that befall young women who are considered society's Leftovers. Blair and Ardith are best friends who have committed an unforgivable act in the name of love and justice. But in order to understand what could drive two young women to such extreme measures, first you'll have to understand why. You'll have to listen as they describe parents who are alternately absent and smothering, classmates who mock and shun anyone different, and young men who are allowed to hurt and dominate without consequence. You will have to learn what it's like to be a teenage girl who locks her bedroom door at night, who has been written off by the adults around her as damaged goods. A girl who has no one to trust except the one person she's forbidden to see. You'll have to understand what it's really like to be forgotten and abandoned in America today. Quatrim de couverture A shattering tale of the tragedies that befall young women who are considered society's Leftovers. What if your family couldn't protect you? What if it was your family you needed protecting from? Forgiveness is far off for teenagers Blair and Ardith, best friends and accomplices in a terrible crime. At the home of the only adult they trust, a police officer, the girls confess every horrifying detail. But it soon becomes clear the act was not one of malice or revenge, but borne of fierce loyalty and an unimaginable desperation. Written off by abusive parents and mocked and shunned by their classmates, Blair and Ardith had found a safe haven with one another. And when that haven was threatened, they realised they would have to do everything in their power to protect it. Whatever the cost.
