**Description :** Description du produit On the Duty of Civil Disobedience is an important essay written by American author and Philosopher Henry David Thoreau. This influential work argues for individual resistance to civil government in opposition to an unjust state due to moral reasons. Thoreau compares government to a machine and argues that it is the duty of citizens to make sure that their government is just and that if it is not, it is equally their duty to stop the machine. On the Duty of Civil Disobedience is highly

recommended for those who are interested in the writings of Henry David Thoreau and those who are discovering his works for the first time.

Presentation de l'auteur How is this book unique? 15 Illustrations are included Short Biography is also included Original Unabridged Edition Tablet and e-reader formatted Best fiction books of all time One of the best books to read Classic historical fiction books Bestselling Fiction Resistance to Civil Government (Civil Disobedience) is an essay by American transcendentalist Henry David Thoreau that was first published in 1849. In it, Thoreau argues that individuals should not permit governments to overrule or atrophy their consciences, and that they have a duty to avoid allowing such acquiescence to enable the government to make them the agents of injustice. Thoreau was motivated in part by his disgust with slavery and the Mexican American War (1846-1848).
