Biographie de l'auteur Brandt Legg was a child prodigy who, after the tragic loss of his father and crippling migraine headaches, turned an interest in stamp collecting into a multi-million dollar business empire. By 18, the high-flying Legg, known to the media as the Teen Tycoon, became ensnarled in the financial whirlwind of the junk bond eighties, lost his entire fortune and ended up serving time in federal prison for financial improprieties. Legg emerged, chastened and wiser, one year later and began anew in retail and real estate. From there his life adventures have led him through magazine publishing, newspaper writing, FM radio (behind the mic and in the business office), and music production, including CDs and concerts. Outview is

the first book of his Inner Movement trilogy. For more information, please see www.BrandtLegg.com.
