Description :

Prsentation de l'diteurInspired by the popularity of French graphic artist Vahram Muratyan's original Paris versus New York book, here is an expanded large-trim edition with more than thirty additional new pairings of iconic images from the City of Lights and the Big Apple. This deluxe edition is a great gift for those who love the warmth and wit of Maira Kalman and Christoph Neimann's I Lego New York, the design-savvy eye of The Sartorialist, and the adventurous imagination of The Atlas of Remote Islands. Muratyan's visually striking graphics paired with witty, thought-provoking taglines celebrate the special details of each city-favorites of denizens from both cities and those happily torn in between.Revue de presse"In his witty, high-concept, high-colored flipbook Paris Versus New York: A Tally of Two Cities ...Mr. Muratyan uses splashy collagist art to showcase the visual beauty marks of the two metropolises."
