Revue de presse "Andrew Jennings gave his journalistic life to the story of FIFA corruption. Now as much as ever, we are all in his debt. Thank you Andrew" (David Walsh Sunday Times) "The reporter behind the biggest sports scandal of the century" (Washington Post) "Credit in this saga should go to the dogged obsession of a single reporter, Andrew Jennings, 71, who has traced Sepp Blatters footsteps for more than a decade. Jennings worked for the Sunday Times and BBCs Panorama. His BBC film about Fifa corruption, The Beautiful Bung, appeared as long ago as 2006. Since then he, and subsequently the Sunday Times, have been merciless in pursuit of the story" (Guardian) Presentation de l'auteur In The Dirty Game, investigative reporter and BBC Panorama presenter Andrew Jennings, who has been heralded around the world for his decade-long pursuit of this story, uncovers the eye-watering level of fraud and criminal activity at the heart of FIFA, which has been described as the biggest sporting scandal of the century.
