**Description :** Description du produitA marvelous new illustrated edition of Lewis Carroll's classic nonsense poem, The Hunting of the Snark with pictures by the talented Jonathan Dixon. Makes a great gift.

Prsentation de l'diteurThe Hunting of the Snark, Lewis Carrolls classic masterpiece of nonsense verse, takes the reader on a wonderfully witty and inventive hunt for the ever-elusive Snark. The tantalizing mysteries of the poem are here perfectly matched in these brilliant new illustrations by artist Mahendra Singh, who has created a visual treasure hunt, full of riddles, puns, and allusions. When asked what his poem meant, Carroll would always reply that he did not know. But, on one occasion, he did write to friends that perhaps the whole book is an allegory on the search for happiness. To seek it with thimbles, to seek it with care; To

pursue it with forks and hope, To threaten its life with a railway-share; To charm it with smiles and soap! Revue de presse Oleg Lipchenko's style seems perfectly suited to Carroll's thoroughly Victorian brand of literary psychedelia. Kids will get sucked in by the visuals alone. Best of all, his images provide enough fodder to inspire a hundred alternate stories. Quill Quire Past editions of this nonsense classic have been illustrated with woodcut prints, pen-and-ink drawings, and in a graphic-novel format, and now with Lipchenko's detailed drawings. His art creates a dream landscape that mirrors the elusive text and sustains one's sense of an impending snark attack. This is a gift book and a collector's edition, but with the push to read more rigorous texts, teachers might appreciate finding the elusive snark in the library. School Library Journal Lewis Carroll's epic nonsense poem is presented in all of its unabridged, bewildering glory. Oleg Lipchenko's outstanding charcoal illustrations interpret the verse for a new generation. The pages are luxuriously detailed, and there's lots to pore over. The sepia tones in the illustrations evoke a dark, brooding atmosphere. Children and the adults in their lives will all enjoy the marvelously odd characters and every curious word. Highly Recommended, CM Magazine Presentation de l'auteur The Hunting of the Snark, Lewis Carroll's classic masterpiece of nonsense verse, takes the reader on a wonderfully witty and inventive hunt for the ever-elusive Snark.
