Description :

Prsentation de l'diteurSeven men, friends and strangers, gather in a house in Berkeley. They intend to start a men's club, the purpose of which isn't immediately clear to any of them; but very quickly they discover a powerful and passionate desire to talk. First published in 1981, The Men's Club is a scathing, pitying, absurdly dark and funny novel about manhood in the age of therapy. "The climax is fitting, horrific, and wonderfully droll" (The New York Times Book).Revue de presse'Chekhov and Kafka, after consulting Chaucer, might have collaborated on The Men's Club. It is excellent.' --The New York Times'Leonard Michaels was an original; everything he wrote, like it or not, came alive. His prose moved at a fast clip and paid readers the compliment of assuming they could match his mental velocity, with a concise, pungent and pyrotechnic style that tolerated no flab.' --The Nation'One of the best American stylists of the 20th

century.' --David BezmozgisPrsentation de l'diteurSeven men, friends and strangers, gather in a house in Berkeley.
