Biographie de l'auteur James Maxwell grew up in the scenic Bay of Islands, New Zealand, and was educated in Australia. Devouring fantasy and science-fiction classics from an early age, his love for books translated to a passion for writing, which he began at the age of eleven. Inspired by the natural beauty around him but also by a strong interest in history, he decided in his twenties to see the world. He relocated to London and then to Thailand, Mexico, Austria, and Malta, developing a lifelong obsession with travel. It was while living in Thailand that he seriously took up writing again, producing his first full-length novel, *Enchantress*, the first of four titles in his internationally bestselling Evermen Saga. When he isn't writing or traveling, James enjoys sailing, snowboarding, classical guitar, and French cooking.
